Members of EXCO.

Regional and States Supervisors

Shepherds and Parishioners.

Brethren in the Lord and Savior Jesus Christ,

Spurious Circulation.

After the meeting of the Executive Council of USA Diocese this evening, it was considered necessary to enlighten members of the Diocese on the irresponsible letter flying all over the place simply to create destabilization and confusion among the strong, well-focused and determined people of integrity now in the Council of USA Diocese.

The letter has to do with the creation of a diocese in the air without any face or address.

We have spoken to the Pastor and Spiritual Head of the Church and the Pastor debunked the letter and indicated his office is completely oblivious of the so called diocese creation, calling it an irresponsible figment fiction of dreamers. Also, The Board of Trustees sees it as an act of rebellion and hallucination of dissidents that have no place in the current Celestial Church of Christ worldwide.

Please note that the USA Diocese has a clear vision, determined mission and well-articulated strategies to take this church to a pinnacle of relevance and glory by God's grace. The Diocesan Council is now manned by people of sound discipline and integrity with uncompromising loyalty and commitment to moving the work of God forward.

The spurious letter is only good for the trash bin and that is where it should reside.

Once again, we wish you all a happy, peaceful and most fulfilling 2019 in Christ's name.

Sup. Evangelist Victor Adewusi
